

Oh my goodness! I am so sorry I didn't make it to get your tooth.

I know you took extra time to get it ready for me and I was so looking forward to adding it to my collection.

I got caught in a wind storm while I was collecting teeth. I had to find somewhere to stop for shelter so my wings wouldn't get damaged.

By the time I got to your house you were already awake.

I left you an extra special surprise to make up for it. I hope you like it!

Best wishes,

*The Tooth Fairy*
